## Immigration Bill Is Passed By The Senate

### Kuhio Urges Action

The following cablegram was received by Senator Coelho today:  
WASHINGTON, Feb. 16, '07.  
Senator Coelho, Honolulu:  
Urge Legislature to invite Congressional party.

KUHIO.

"I believe with the Republican Committee," said Senator Coelho, when asked what he intended to do. "Anything to gain the favorable opinion of Congressional members on matters relating to Hawaii is good for the Territory, even if it costs us a little to be courteous. This bears not only on matters now pending, but on our future requests and needs."

### McCandless Compares President's Message and Letter

#### ISSUES CIRCULAR AGAINST LANAI DEAL

Link McCandless has started his second campaign against Governor Carter and the Lanai deal. While his fight in the courts is still on, the second line of battle is being conducted by means of giving the affair wide publicity on the mainland. As stated by the Bulletin a few days ago, McCandless had circulars prepared, which he is sending broadcast over the United States. Under the heading, "Does President Roosevelt Favor Land Grabbing in Hawaii?" these contain the following text:

What Roosevelt Says to Governor of Territory of Hawaii in Letter of October 10, 1906:

The White House.

Washington, Oct. 10, 1906.  
My Dear Governor Carter:—Your letters are most interesting. As regards the small islands, you make it perfectly clear that we must try to put them under private ownership of some man rich enough to take measures which will prevent their being rendered absolutely uninhabited by deforestation and the drying up of the water. I do not care a rap what

### Japanse Must Stay In Hawaii

*Associated Press Special Cable*

WASHINGTON, D. C., Feb. 16.—The Senate has passed the Immigration bill as introduced by the Administration. Under its terms Japanese coolies are excluded from the mainland and those in Hawaii and the Philippines are prohibited from coming to the mainland.

### Killed By Explosion

*Associated Press Special Cable*

NEW YORK, N. Y., Feb. 16.—Seven persons have been killed and three injured by an explosion of a donkey engine on board the German steamer Valdivia. The vessel was damaged.

### ARRANGE TO GREET VISITING JAPANESE WARSHIPS

Dr. T. Mitaunara of this city has received from his brother, Dr. T. K. Mitaunara, a letter of introduction to Admiral Tomioka, the commander of the Japanese squadron, which is expected here on Monday morning. Dr. T. K. Mitaunara was, during the China-Japan war, the chief surgeon of the navy, and was later made senior general of the imperial navy. Dr. Mitaunara is now on the retired list, but is always ready to answer the Imperial order in case of need.

During the stay of the Japanese squadron in this port, Admiral Tomioka and his officers will be given grand entertainments by Consul Saito and the Japanese community. The members of the Japanese Y. M. C. A. will give a reception welcoming the midshipmen, who number about 260. The affair will take place at the Japanese Methodist Church on River street. Those who have the matter in charge are Rev. Miura, pastor of the church; Rev. Yamaguchi, Niumau Church; Dr. Mitaunara, Secretary Fukao and others.

The committee will consult with Admiral Tomioka upon the arrival of the ships as to these.

Besides Consul Saito and his staff, the Japanese squadron will be met by a reception committee, consisting of merchants, doctors, press and others.

High Sheriff Desires A Better Place For Sick Prisoners

Incorporated in the report of Attorney General Peters to Governor Carter is an interesting report of High Sheriff Henry on conditions of his department. In this report High Sheriff Henry speaks of how well the parole law is working, the fact that every individual who has been released under its provisions is now regularly employed and doing well, being a clear proof of this fact.

During the past year there have been 935 prisoners confined in Honolulu jail, 136 committed to await trial and one person held as a witness.

Particular attention is called to the lack of hospital facilities, the only available building being the one-room building in the Oahu Prison.

During the period covered by the report there have been fifteen deaths, of which six were executions performed in due legal style. The names of those who have been executed were as follows: Kang Yoing Bok, Woo Muing Sook, Shim Muing Oh, Frank Johnson, Ohamoto and Lorenzen Colon.
